SOCIETY, CHARITY, CORPORATE & GOLF DAY PACKAGES

We want groups to come and play our course and enjoy our club. That is why we offer the warmest of welcomes and do everything we can to make a day at Test Valley as perfect as it can be. It is also why societies and corporate customers come back to us time and time again.

Why choose us? We offer:

- A wide range of packages to suit all requirements and budgets
- A blend of services that can be tailored to suit your individual needs
- A 'meet and greet' on your arrival to show you around the clubhouse and practice facilities
- A free round for the organiser if there are 20 or more players
- Dates available for Monday to Thursdays with some availability at the weekend afternoons, all year round as we are one of the driest courses in Hampshire.

We try to ensure we have everything covered, but if there is anything further you require, just ask.

Here's what people are saying about us

Good Morning Ali/Maria,

Just thought I would drop a line to thank you all for your hospitality yesterday.

With a difficult start to the day due to the appalling weather conditions, it was amazing how well the course recovered.

Massive respect to all the ground staff who worked tirelessly to make the golf conditions as good as they possibly could be, and that being said the course actually played marvellously well on the day.

All our members that attended thoroughly enjoyed the day and with that in mind we are looking at our schedule for next year and would like to visit again in 2025.
